

## Protocol #12

### Preparing for Student Presentations

Select a format that best fits your purpose statement from the six choices below. Then list the tasks your team would face in trying to institute presentations in your school setting.

What kinds of presentations best fit the purpose and organization you are considering?

Course-based \_\_\_\_\_

Portfolio-based \_\_\_\_\_

Subject area \_\_\_\_\_

Special project \_\_\_\_\_

Skills-based \_\_\_\_\_

Standards-based \_\_\_\_\_

What kinds of student presentations could help personalize the learning at your school?

What will the students need?

How can teachers help?

How can presentations be organized?

Who should make up the audience for student presentations?

How can presentations be scheduled?
