

Applying Key Dimension #1 (Purpose) to Your School

What type of consensus did your team reach through the card-sorting exercise (Galassi et al., 1998) about the emphasis you would like your advisory program to have?

Program Emphasis	Addresses students' needs in what ways?	Reflects the needs of the school community in what ways?	Consensus reached
Advocacy			
Community			
Skills or Developmental Guidance			
Invigoration			
Academic			
Administrative			

Program Purpose: Based on the consensus you reach about program emphasis using the Focusing Four protocol, what specific purpose(s) will your advisory program be designed to meet?

Your Program Purpose	Priority value: 1 Essential, non-negotiable 2 Important, but negotiable 3 Experimental and negotiable	Addresses students' needs in what ways?	Reflects the needs of the school community in what ways?
